

## **WEEE Collection and Recycling Arrangements in Lithuania**

Nutanix products are sold in Lithuania by dealers and distributors. The dealers and distributors act as the importer of the equipment into Lithuania. Thus, the dealers and distributors have the legal responsibility to:

- Register as the WEEE producer in Lithuania.
- Provide arrangements for collection and recycling of WEEE arising from Nutanix products that the dealer and distributor sells in Lithuania.

Please contact the Nutanix office in the United States to identify dealers and distributors in Lithuania:
