

WEEE Collection and Recycling Arrangements in Slovenia

Nutanix products are sold in Slovenia by dealers and distributors. The dealers and distributors act as the importer of the equipment into Slovenia. Thus, the dealers and distributors have the legal responsibility to:

- Register as the WEEE producer in Slovenia.
- Provide arrangements for collection and recycling of WEEE arising from Nutanix products that the dealer and distributor sells in Slovenia.

Please contact the Nutanix office in the United States to identify dealers and distributors in Slovenia:
